â□" Common sawaal

Ye asli app hai ya fake?

Asli hai. Ye hamare colony ke liye banayi gayi hai. Koi bahar ki company nahi banayi.

Play Store me kyun nahi hai?

Link se chalne wali app hai â€" isme Play Store ki zaroorat nahi padti aur koi charge nahi lagta.

Koi mere data dekh sakta hai?

Sirf dukaan ki jaankari hai jo aapko pehle se pata hai. Aapka koi personal data kahin nahi jaata.

500 log use kar sakte hain?

Haan. Free me 1 lakh reads/day milte hain â€" 500 log roz use karein to bhi aadha hi chalta hai.

Phone badal gaya toh data chala jayega?

Nahi â€" data cloud me hai. Bas app dobara install karein, sab wapas aa jayega.

Internet band ho toh?

Jo dukaanein pehle dekh chuke hain wo dikhti hain. Naya data ke liye internet chahiye.

Nahi. App ghoomti hai, apne aap update hoti hai. Na hosting charge, na server charge.
